

Instructions:

Please read Reading #3 - "Framing" and answer the following questions. **Due: Wednesday, 02/25/10**

1. Pick out three ordinary things in the room you are currently in and explain how the items are framed. Be creative.

2. Can framing increase the power of an image or design? **Y / N**

Find an example to illustrate your answer, attach a photocopy of it to this sheet, and explain how it either enhances or detracts from the overall power of the image or design:

Crop Tool

3. Have you used the crop tool in Photoshop? If so, how and why did you use it and was it successful? If not, will you use it in the future?

4. What are the function of margins?

5. Pay special attention to page 110. Think about employing these ideas in your Letter Pictures Projects.
